

“Sweet Home Alabama” meets “Brown Sugar”

Trump is a thirty year-old, self made millionaire who has what he believes is the perfect life. Money, cars, and yes...the beautiful, bangin', bombshell "wifey" to be, Shalae. But, in the blink of an eye, his world is flipped upside down when he loses everything, including his gold-digger fiance.

Due to his misfortune, Trump is forced to move back to his old, small-town hood, where his whacky grandfather, goof-ball friends, and the annoying, yet all grown up, girl-next-door Malika still lives. After getting off to a rocky start, Trump and Malika quickly form a disjointed friendship and start their efforts to get Shalae back.

An off-beat softball game, fish fry, charity bachelor auction and fashion show all lead up to the inevitable wedding ceremony. Will Trump get the "wifey" he's always wanted, or find that what he's really looking for is the girl next door?
