

A-MAZE-ING PROFITS THIS HALLOWEEN!

Five friends break into a corn maze in the middle of the night and decide to play a harmless game of tag. Little do they know that a psychopathic killer has decided to play along.

As they wander aimlessly through the maze, the murderer follows closely behind - taunting them and watching every move. The game turns deadly when the kids decide to separate and weaken their chances of survival.

When the mutilated body of the owner is found, they realize that something is terribly wrong. As they race to the entrance of the maze, the psycho cleverly forces them to follow the path that he wants. Manipulating everyone to his vicious will, the slasher taunts his victims and leads them further into the depths of the maze.

This is no field of dreams.
